August 1, 2018

Dear Parents and Guardians,

The dates for school pictures this year are as follows: Fall Pictures will be taken on August 22 with make-ups on October 30. Spring pictures will be taken on February 26, 2019. The vendor for school pictures will be Strawbridge Studios, Inc. of Durham, NC.

Purchase options will begin at \$10.00 with a complete package priced at \$35.00. For fall pictures, a proof package will be sent home for your review and ordering. Spring pictures will be prepaid. Strawbridge provides a 100% guarantee for both the fall and spring programs.

For picture days, the school dress code will be the minimum standard. However, students may dress in more formal attire. More formal attire might be described by some parents as "coat and tie" and other parents may describe more formal attire as "church clothes." Students electing to dress up for pictures in more formal attire do not need to follow the grade level colors, but must remain formally dressed throughout the school day.

Picture sales constitute a fundraising activity for schools. Westwood Middle School receives 30% of sales revenue to use for student activities.

Sincerely,

Dave Cochran

Dr. Dave Cochran, Principal
